Master Pools Guild Code of Ethics & Business Conduct

Master Pools Guild members are dedicated to designing and building the world's finest pools to the highest industry construction standards. Our core values and principles define our organization. Master Pools Guild success is based on trust and confidence earned from our clients. We secure loyalty by keeping commitments, demonstrating integrity and honesty in achieving our goals through ethical conduct and honorable performance.

About Us

The Master Pools Guild is a network of over 100 elite custom residential and commercial pool builders from across the globe. Founded in 1962, the Guild is the only exclusive, invitation-only group of its kind in the pool industry.

Our builders are meticulously hand chosen because of their innovative design style, professionalism, superior construction quality, scrupulous attention to detail and their ability to foster great relationships with their customers, contractors and vendors.

They truly are the best of the best.

Since our members are not competitors, choosing a Master Pools Guild member is like choosing a local expert with access to 100 additional expert consultants from across the globe.

Understanding the importance of keeping abreast of the latest design trends and pool and spa technology, Master Pools Guild members are committed to continuing education and adhering to the industry's best practices.

Master Pools Guild...
Building a global paradise.
